

KHA SCHOLARSHIP FUNDRAISER AUCTION

TUESDAY, FEBRUARY 19, 2019

It has become an annual tradition to raise money for our scholarship program by conducting a **live and silent auction** of items donated to be sold during our luncheon on **Tuesday, February 19th**. To be able to maintain the success as we have had in the past, we need your assistance by donating and bringing items for the auction. Of course, good ole cash donations are accepted as well. Our auction items will be on display in the foyer of the meeting rooms for your viewing and selection.

100% of proceeds are used to provide college scholarships. Since 2006, we have raised more than \$53,000 for the benefit of those wishing to continue their education.

Please help in this endeavor by donating a basket.
